

Modified Golf Activity – Skills Involved

Created by: Matt LaCortiglia

This list can be used to assess to student performance and create objectives by adding condition and criteria.

- Carries small bag with clubs, ball, and tee
- Pushes or pulls golf cart with bag
- Locates starting tee
- Identifies location of cup
- Places ball on golf tee
- Inserts ball and tee into the ground
- Uses correct grip based on dominant side hand/swing
- Stands in correct position based on direction of cup and dominant side hand/swing
- Stands using good athletic position
- Stands or positions self the correct distance from ball
- Stands or positions self so that the ball is lined up between the middle point or forward of both legs
- Selects a driver to hit from golf tee
- Selects a putter when close to target/cup
- Attempts to apply enough force needed to hit the ball to cup based on amount of backswing
- Head stays downward as swing is executed
- Club head faces golf ball on impact
- Strikes ball with club
- Completes follow through on swing
- Waits his/her turn -Maintains quiet and stillness when partners are striking ball
- Counts each stroke
- Locates and walks to ball after shot
- Strikes ball from spot where ball stops

Concepts:

- Identifies the ball of the player furthest from the cup hits fist
- Selects different clubs based on distance to the cup
- Understands the player that had the least amount of strokes to hit ball to cup/target

Identifies, states, or demonstrates the meaning of the following terms:

- Drive
- Driver, irons, putter
- Starting tee
- Golf tee
- Golf ball
- Green
- Fairway
- Rough
